

Our SHRED-at-my-Home Bags SECURE Piece of Mind!

ENVIRONMENTALLY FRIENDLY

We now offer a recyclable prepaid document collection bag for home use that is designed to collect all your confidential information for shredding. Once filled, these bags can be securely sealed for easy pick-up by our Mobile trucks. Bags are made with an added print layer over the special protective bag material for added security. This extra security level ensures proprietary data and private information stays confidential until it is shredded.
